### What 2 Characteristics Make This Exegeses Bible The Most Accurate Bible Translation?

#### #1 – Unique Characteristic

In the Exegeses Bible Every Name Of God Shown EXACTLY as it is in the Hebrew or Greek Text! Why is this important? God's people are commanded to know God's names. "They who know your name confide in You, for you forsake not them who seek you, O Yah Veh" (Ps.9:10)

God's Names reveal to us who God is, it tells us of His character. How can we know God if we don't know His Name? So instead of having to look up every name of God, you'll see them right in the text exactly as they are in the original text! Here are just a few of the examples:

## #2: Unique Characteristic

In the Exegeses Bible Key words are shown & translated exactly as they are in the original Hebrew or Greek!

**1<sup>st</sup> Example:** KJV - Josh.1:7-8 - "... turn not from it to the right or to the left, that thou mayest prosper"

(The EXEGESES Bible correctly translates the Hebrew word for "prosper" as "comprehend")... v.8 says "then thou shalt make thy way prosperous and then thou shalt have good success." (Again the EXEGESES Bible correctly translates the Hebrew word for "good success" as "comprehend").

Why does the KJV and most other Bibles translate the Hebrew word in this passage as "prosper" and "good success", when it literally means to comprehend? Is there a difference between "prospering" and "comprehending"?

We are to study God's word not just to prosper, but to comprehend! God wants us to meditate on His Word so that we prosper spiritually as well as to comprehend (understand) His Word!

**2<sup>nd</sup> Example:** Prov. 3:5-6 says " ...In all your ways acknowledge Him..."

The Exegeses translates the Hebrew word for "acknowledge" as "know". So the passage correctly translated is "...In all your ways know Him..."

Is there a difference between acknowledging God and knowing God? You bet there is! Many people acknowledge God's existence, but they don't come anywhere close to knowing Him!

We are to know Him. Jn.17:3 says - "And this is eternal life - that they know you the only true Elohim, and Yah Shua Messiah whom you apostolized" (sent).

**3<sup>rd</sup> Example:** Job 1:5 "And so be it, as the days of banqueting revolve, Job sends and hallows them; and starts early in the morning and holocausts holocausts according to their number; for Job says, Perhaps my sons have sinned, yet blessed Elohim in their hearts - thus worked Job continually."

The Hebrew language uses the same word for blessing and cursing. It is therefore difficult to determine which is meant in the passage. The context may help in many cases. So, was it more likely that Jobs' children sinned and cursed God or sinned and blessed God in their hearts?

**4<sup>th</sup> Example:** I Kings 3:9 "...Give your servant a hearing heart to judge your people, to discern between good and evil.

The work used here is commonly translated "understanding" (KJV & NAS) but the word literally means to hear. In the O.T. biblical usage of this term, to hear comes first, then to understand and then to obey.

But that the Exegeses shows us the starting place, exactly as God emphasized here, I think is significant. We can't leave out the important first step, we must always HEAR what God says FIRST, then understand and then obey.
